

**** AMENDED TRAFFIC ALERT ****

Starting Wednesday, September 28, through Friday, September 30 from 6 am - 6 pm each day,

Hunter Contracting will begin paving the east side of Silverbell Road, north of Burlwood Way.

Additionally, there will be intermittent delays at side streets along the east side of Silverbell Road as paving operations move north. Residents should expect the following:

- Residents using Painted Sunset Road and Goret Road can expect **delays of up to 15 minutes** while Silverbell Road is paved at each intersection.
- Residents using Frostwood Lane will be directed to use Burlwood Way while Silverbell Road is paved at Frostwood Lane.
- Residents using Silver Arrow Drive will be directed to use Silver Bell Tree Drive while Silverbell Road is paved at Silver Arrow Drive.
- Residents using Silver Bell Tree Drive will be directed to use Silver Arrow Drive while Silverbell Road is paved at Silver Bell Tree Drive.

****Please note that side street restrictions will be removed once paving operations are completed in that area.****

Access will be maintained at all times. All residents are advised to plan their travel accordingly to account for the anticipated delays. Flaggers will be on site to help direct traffic through the work area, as well as motorists going in and out of the sub division.

Project Schedule Update:

Final paving of the entire project is scheduled to take place in October, with overall project completion scheduled for

November.

For your safety, please remember that the speed limit in the construction area is **25 mph**.
