

On Monday, October 24, Tuesday, October 25 and Wednesday, October 26, 2016, from 5 a.m. and 5 p.m. each day, Hunter Contracting will begin final paving on Silverbell Road from Grant to Goret Roads. Residents and the traveling public should expect the following restrictions and delays:

Monday, October 24, 5 a.m. to 5 p.m.

- When the outside lane (curb lane) of Silverbell Road is paved, motorists entering and exiting side streets should expect delays of 20 to 50 minutes* while paving equipment moves through the intersections. See below for **approximate** start times for paving activities at each street:
 - Goret Road (west side), 8:10 a.m.
 - Cerrada Del Beto, 8:30 a.m.
 - Xochi Pilli Drive, 8:55 a.m.
 - Prichett Place, 9:40 a.m.
 - Silver Vista Place, 10:05 a.m.
 - Silver Sun Drive, 11:40 a.m.
 - Painted Sunset Circle, 3:25 p.m.
- Paving in front of **Burlwood Way and Frostwood Lane will begin at 2:30 p.m.** One access point into the subdivision will remain open at all times.
- Flaggers will be on site to help direct traffic through the work area.

**** There will be no access in or out of side streets as the paving operations move through the intersection. Motorists should plan travel accordingly to account for delays.****

Tuesday, October 25, 5 a.m. to 5 p.m.

- When the outside lane (curb lane) of Silverbell Road is paved, motorists entering and exiting side-streets should expect delays of 20 to 50 minutes while paving equipment moves through the intersections. See below for **approximate** start times for paving

activities at each street:

- Paving in front of **Silver Arrow Drive and Silver Bell Tree Drive will begin at 6:55 a.m.** One access point into the subdivision will remain open at all times.
- Goret Road (east side), 8:15 a.m.
- When the inside lane (median lane) of Silverbell Road is paved:
 - **Left turn movements will be restricted into and out of** side streets as needed for paving operations.
 - Right turns will be permitted at all times.
- Flaggers will be on site to direct motorists through the work zone.

****There will be no access in or out of side streets as the paving operations move through the intersection. Motorists should plan travel accordingly to account for delays.****

Wednesday, October 26, 5 a.m. to 5 p.m.

- When the inside lane (median lane) of Silverbell Road is paved:
 - **Left turn movements will be restricted into and out of** side streets as needed for paving operations.
 - Right turns will be permitted at all times.
- Flaggers will be on site to direct motorists through the work zone.
- Motorists should plan travel accordingly to account for delays.

Following the new alignment paving, the contractor will also pave the Goret Road/Silverbell Road Intersection and all side street entrances along Silverbell Road between Grant and Goret Roads. This work is scheduled **5 a.m. to 5 p.m. each day beginning Friday, October 28, through Wednesday, November 2, 2016.** For more information, please watch for an updated traffic alert.

****Please note that business access will be maintained at all times.**

If you have additional questions or concerns, please email joe.chase@tucsonaz.gov or call 520.837.6619.

Regards,
Silverbell Road Project Team

Goret Road to El Camino del Cerro

Beginning Monday, October 24, crews will be on-site completing investigative surveying and potholing activities along **Silverbell Road from Goret Road to El Camino del Cerro**. This work is scheduled from **8:30 a.m. through 4 p.m. each day** and will continue through late November. Residents and the traveling public should expect the following:

- Traffic will be shifted around the works areas
- Intermittent delays

For your safety, please observe all traffic control signage, message boards and obey reduced speed limits. Watch for construction personnel and equipment in the work zone.

For further questions please contact kristi@kaneenpr.com or call 885.9009.

Regards,
Silverbell Road Project Team
