

Beginning Thursday, October 27, through Wednesday, November 2 (excluding weekends), Hunter Contracting will continue final paving operations on Silverbell Road from Grant to Goret Roads. The traveling public and residents can expect the following:

On Thursday, October 27, from 6 a.m. to 12 p.m. the contractor will pave all turn lanes on Silverbell Road on the north side of the Grant Road intersection. The following restrictions will be in place:

- There will be **no dedicated turn lanes**
- All turn movements will be permitted
- Police will be on-site to help direct traffic as needed

On Friday, October 28, from 6 a.m. to 5 p.m. the contractor will pave the Silverbell Road/Goret Road intersection. The following restrictions will be in place:

- Left turn movements **will be restricted** as needed while paving equipment moves through the area
- All through movements will be maintained
- Flaggers will be on site to direct motorists through the work zone
- Expect delays

Beginning Monday, October 31, through Thursday, November 3, from 6 a.m. to 5 p.m. each day, the contractor will pave all business and side street entrances, and turn bays along Silverbell Road, from Grant to Goret Roads. The following restrictions will be in place:

- There will be **intermittent left turn restrictions** as paving operations move through the area
- There will be **intermittent delays** at business entrances

- **Business access will be maintained at all times**
- Neighborhood entrances will be paved half at a time, unless there are additional access points
- Neighborhoods with additional access points should expect closures of up to an hour for each entrance
 - **One entrance will be maintained at all times**
- Flaggers will be on site to direct motorists through the work zone
- Expect delays

For your safety, please observe all traffic control signage, message boards and obey reduced speed limits. Watch for construction personnel and equipment in the work zone.
