

Starting **Thursday**, **June 23**, **from 6** am **to 5** pm Hunter Contracting Company will be pulverizing existing asphalt and installing storm drain near the intersection of Silverbell and Goret Roads. The traveling public should expect the following impacts:

- Goret Road, west of Silverbell Road, will be reduced to one lane. Flaggers will be at the intersection directing eastbound and westbound traffic on Goret Road.
- Goret Road will be restored to one lane in each direction by 5 pm each day.

The lane restrictions on Goret Road are expected to end on **Friday**, **June 24 at 5 pm**.

Once this work is complete, the traveling public can anticipate driving on an unpaved stabilized surface at Goret Road, west of Silverbell Road, until the middle of July when paving takes place (weather permitting).

For your safety, please remember that the speed limit in the construction area is **25 mph.**

For further questions please contact <u>genna@kaneenpr.com</u> or call 885.9009.

Regards, Silverbell Road Project Team

Stay Connected

The project team will be sending regular updates as design and construction continue. Please share this information with your neighbors and friends in the area and encourage them to visit our project website: <u>silverbellroad.info</u> for up-to-date information and to sign up for email updates.
